) Referred to U.S. Magistrate Judge

AMENDED ORDER ACCEPTING FINDINGS AND RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE

After reviewing the objections to the Findings, Conclusions, and Recommendation of the United States Magistrate Judge and conducting a *de novo* review of those parts of the Findings and Conclusions to which objections have been made, I am of the opinion that the Findings and Conclusions of the Magistrate Judge are correct and they are accepted as the Findings and Conclusions of the Court.

Defendant Todd Sellar's Motion to Dismiss Under FED. R. CIV. P. 12(b)(2)(5) [sic] and (6), filed on May 16, 2013 (doc. 8) is **GRANTED in part**. By separate judgment, the plaintiff's federal claims will be **DISMISSED with prejudice** for failure to state a claim. The Court declines to exercise supplemental jurisdiction over the plaintiff's state law claims, and those claims will be dismissed with prejudice.

The Court further notes that it is <u>not</u> granting Defendant's Motion to Dismiss Under Rule 12(b)(5) for improper service, and that Plaintiff does not have the right to object to the Court receiving recommendations from the Magistrate Judge.

SIGNED this 10th day of April, 2014.

UNITED STATES DISTRICT JUDGE
NORTHERN DISTRICT OF TEXAS
